Curriculum vitae

Current Position	Professor for Vaccinology, Director of the Center of Pathophysiology, Infectiology & Immunology (OEL), Head of Institute of Specific Prophylaxis and Tropical Medicine, Head Outpatient Clinic for Vaccination, Travel- and Tropical Medicine
Work Address	Institute of Specific Prophylaxis and Tropical Medicine, Center for Pathophysiology, Infectiology and Immunology Medical University of Vienna Kinderspitalgasse 15, 1090 Vienna, Austria T: (+43 1) 40160-38290 F: (+43 1) 40160-938293 ursula.wiedermann@meduniwien.ac.at www.meduniwien.ac.at/tropenmedizin

Personal Data

Date of birth August 6, 1965

Place of birth Austria

Citizenship Austrian

Education

1983-1990 Medical student at University of Vienna, Austria

10/1990 Graduation from the Faculty of Medicine, University Vienna

1990-1993 Master Thesis at the Department of Clinical Immunology, University Göteborg, Sweden

1993-1995 PhD-Thesis at the Department of Clinical Immunology, University Göteborg, Sweden

01/2002 Specialist (Facharzt) in “Clinical Immunology”

01/2004 Specialist (Facharzt) in “Specific Prophylaxis and Tropical Hygiene”

09/2010 Course: “Epidemiological Evaluation of vaccines: Efficacy, safety and Policy”; London School of Hygiene and Tropical Medicine, London

10/2010 Course: “Advanced Good Clinical Practice for Experts in Clinical Research”, Vienna School of Clinical Research, Vienna

Career History

10/1990 Medical Doctor

05/1993 Master of Science (M. Med. Sc.), University Göteborg, Sweden

12/1995 Doctor of Philosophy (PhD), University of Göteborg, Sweden

11/1999 Univ. Docent, Venia docendi at the University of Vienna, Medical School.

Since 10/2004 Head of the Institute of Specific Prophylaxis and Tropical Medicine at the Center for Pathophysiology, Infectiology & Immunology, Medical University Vienna

Since 10/2006 Professor of Vaccinology, Medical University Vienna

2013-2015 Visiting Professor for Vaccinology at the Department of Rheumatology, Institute of Medicine, University of Göteborg, Sweden

Since 2014 Medical Director of the Outpatient Clinic for Vaccinology, Travel- and Tropical Medicine at the Medical University Vienna

Since 01/2020	Head of Center for Pathophysiology, Infectiology and Immunology
<i>Other Functions</i>	<p>Since 11/ 2003 Chair of the committee “Vaccinology” of the Austrian Society of Allergology and Immunology;</p> <p>since 09/2005 Board Member of the Austria Society of Tropical Medicine and Parasitology;</p> <p>since 01/2011 Member of the Supreme Board of Health of the Austrian Ministry of Health;</p> <p>since 04/2011 Member of the National Immunization Committee (NITAG) of the Austrian Ministry of Health;</p> <p>Since Oct 2017 Chair of the Vaccine Committee of the International Union of Immunological Societies (IUIS);</p> <p>since 12/2017 President of the Austrian Society of Vaccinology; since 11/2019 IUIS Council Member;</p> <p>since 11/2019 Member of the working group Travel Medicine/STIKO;</p> <p>since 03/2020 permanent STIKO member at the Robert Koch Institute (RKI), Germany</p>
<i>Research Interests</i>	<ul style="list-style-type: none"> • Immunological characterization of vaccine responsiveness and vaccination failures in risk populations • Preclinical and clinical testing (Phase I-IV) of new vaccine candidates and adjuvant systems <p>Immunological tolerance induction and immunomodulation as treatment strategy for diseases with immunological hyper-responsiveness</p> <ul style="list-style-type: none"> • Development of new vaccines and vaccination strategies against infectious diseases, allergies and cancer • Host-pathogens interaction and microbiota-host interaction • New concepts for needle less vaccines and novel adjuvants (e.g. mucosal delivery systems)

Publications in peer reviewed journals: 211; H-Index 41
